

## **Skilled & Dedicated Handyman**

Baie d'Urfé (West of Montreal), Part-time / Full-time

Micom Laboratories is currently seeking a skilled and dedicated handyman to join our team. You will be responsible for the general maintenance of our facility and industrial building, as well as providing essential logistical support to ensure the smooth operation of the company.

### **ROLES & RESPONSIBILITIES**

- Maintain cleanliness and orderliness of premises, including common areas, offices, and outdoor spaces.
- Perform equipment maintenance and minor repairs and report more significant issues to management.
- Collaborate with various departments within the company to meet the needs of employees and clients.

### **QUALIFICATIONS**

For this position, we're looking for a candidate with the following qualifications:

- Previous experience in a similar role is an asset.
- Knowledge of cleaning and maintenance practices, as well as cleaning products and equipment.
- Ability to solve problems, take initiative, and work independently.
- Good manual dexterity with various tools.
- Strong communication skills to interact with team members.
- A valid driver's license and basic knowledge of general maintenance tasks (e.g., plumbing, electrical) is a plus.
- A forklift driver's license is an asset.
- The ability to operate a mini excavator is an asset.

### **WE OFFER**

- Part-time/Full-time position (16-24 hours/week)
- Competitive salary between \$20 and \$22 per hour, depending on experience
- Three weeks vacation
- A comprehensive insurance plan for your peace of mind
- Access our on-site gym for your well-being

- Excellent accessibility: only a 6-minute walk from the commute train and soon 0.8 km from the REM (Reseau Express metropolitan). Bike path right in front of our premises for cycling enthusiasts

To apply, please email your CV to [emploi@micomlab.com](mailto:emploi@micomlab.com). Please include the job title in the subject line of your e-mail. We thank all applicants for their interest, but only those selected for an interview will be contacted.

### **ABOUT MICOM LABORATORIES INC.**

Micom Laboratories Inc., located in Baie-d'Urfé, is an independent ISO/IEC 17025 (2017) A2LA accredited laboratory specializing in product and material testing, with recognized expertise in accelerated aging.
